Subject : Extension of Bid Submission Date.

In the working committee meeting of the society, held on 15/09/22, it was unanimously decided that the Proposal Submission Date from the builders is extended up to 30/09/22 (From 22/09/22) as few builders requested for that. The reason given for the date extension was two weeks inauspicious period.

Shri Vijay Savant was in the chair. Committee secretary Shri Vinayak Parwardhan Patwardhan informed that 25 interested builders had collected the EOI document after paying Rs. 25000/- each.

The list of the builders is also attached herewith.

Our consultant has been asked to inform all the builders, who have bought EOI document, accordingly.
